

Message from the Outgoing President

Hello to all members.

As you are aware the 2014 AGM took place in Sydney over the weeknd prior to the Device/Davinci Robotic Workshop. We had a great attendance in person with a significant number of members also teleconferencing in. Many thanks to Andrew Lynn and Device Technologies for an excellent education opportunity.

I am pleased to announce you incoming AANSA executive effective immediately,

President: Lloyd Dodds

Vice President: Leonie Ballantyne

Secretary: Shirley Lockie

Treasurer: Fiona Howlie

Webmaster/Newsletter Editor/Membership Secretary: Liz Hil

Qld Rep: Josh Paul

NSW Rep: Andrew Lynn

Victorian Rep: Kylie Cross

SA Rep: Natasha Mannion

WA Rep: Allison Brayshaw

Please join me in congratulating these members.

All AANSA email addresses (i.e. president@aansa.org.au) should be changed over to the new office bearer in the next week or so.

As Shirley was not present at the meeting to take over the Secretary role, Lisa will have the minutes of the 2014 AMG on the Website within the month.

I would once again like to thank the outgoing executive for their tireless efforts and I would like to thank all members for your support of my role as President for the past 2 years.
